**Sale of Steam Engine No. 3960 and coal tinder car  
The City of Canton**

**Invitation to Bid Change 1:**

1. Due Date is hereby extended to **July 19, 2018, 2:00 pm.**
2. Questions received concerning the RFP
  - a. Are there additional parts that go with the Engine? Is it being sold as is where is?
    - i. There are additional parts located at a different site. The City intends for these parts to be part of the sale and therefore it would be the responsibility of the winning bidder to move the additional parts as well as Engine 3960 and the coal tinder. The City is gathering an inventory list and will post asap. Please see section 3.0 concerning “as-is” “where-is” information.
  - b. Would the City consider donating all or part of Engine 3960, the coal tinder and any other parts to a 501 (c) 3 entity?
    - i. The City is not currently considering a donation of these items.
  - c. Are any other coaches or cars included in this RFP?
    - i. This sale only includes Engine 3960, the coal tinder and any other related parts. There are no additional coaches or cars included.
  - d. Is this a sealed bid RFP?
    - i. Yes, this is a sealed bid. All bids must be received prior to the bid due date and time to be considered.
