

ADDENDUM #1 IFB #19-20-07
Performance Lighting Instruments and Accessories

This Addendum #1 is intended to address questions or clarify District requirements on the above referenced project. This and all Amendments (Addenda) should be acknowledged on page 2 of the Invitation for Bid (IFB) OR should be acknowledged by returning this form along with bid or proposal.

QUESTION #1:

Is there a place for the lump sum bid for the performance lighting fixtures?

I see the unit cost worksheet, but there are other services that need to be factored in. It would be difficult to disperse these costs across the itemized pricing form.

ANSWER #1:

Please provide a total in a separate cover or however you would like to submit.

The intent is for a Lump Sum price for the entire package as listed in the Equipment List.
