

Addendum #1

Harry Simmons WTP Rehabilitation and Renewal

RFQ #24-005

Addendum Dated October 02,2023

This Addendum forms a part of the RFQ Document and modifies the original RFQ Document dated September 2023.

Modification: Electronic Submittal Requirements

All requested information and forms MUST be uploaded as one file if possible. If necessary to have more than one upload, pricing and signed acknowledgements, etc. are to be in the first upload and the SDS should be in the second, with each titled accordingly. If you have a problem with your upload, you may contact Vendor Registry or the City's Procurement office.

1.2. Schedule & Summary: pg. 4

Responses Due: October 16th, 2023 has been **changed to October 24th, 2023 at 2:00pm.**

Professional Liability Insurance: **Change to Yes**

Modification: 1.6. EVALUATION CRITERIA: pg. 7 – change from RFP to RFQ

It is imperative the submitted response fully address all the firm's ability to meet or exceed anticipated aspects of the subsequent **RFQ**. The submittal must provide the City's evaluation team with clearly expressed information concerning the supplier's understanding of the City's needs as well as the ability to meet those requirements. Your responses are to be geared for information rather than marketing.

Modification: Numbers removed from heading on Sections below.
