RE: 202118 Real Estate Change Notices

Dear Commissioners,

On February 11, 2021 the Purchasing Department received and opened three bids. The publication date of the solicitation was January 20, 2021. The responses were from Input Technology, Mid-West PreSort Mailing Services, Inc. & Diversified, LLC. Following review, the Purchasing Department hereby submits recommendation for awarding to Input Technology Inc. as they are the lowest and most responsive.

Respectfully,

Shakara Bray,
Purchasing Agent, Franklin County Missouri
