

City of Havelock  
RFQ for Engineering Service Qualifications: Sanitary Sewer Line Project

Addendum 1  
October 2, 2020

Questions Received

1. The project description states engineering services are required to ".....improve flow capacity,.....". Has the proposed pipeline flow capacity or pipeline size been pre-determined, or will that be part of engineering services required?

The pre-condition capacity is to be determined as part of the engineering services.

2. The project description states engineering services are required to ".....and comply with the terms of the SOC." Can the SOC be made available to so as understand the terms that may be impactful to the project?

After the bid is awarded, the SOC will be available for reference.

3. Item #11: How is this project to be funded? Has funding been secured? Will application for external funding be part of engineer's services? Will assistance with administration of external funding be part of engineer's services?

Project funding source to be determined.

4. Preliminary Concept Drawing: Has any preliminary survey work been performed to confirm sufficient elevation to re-route the sewer main as shown at required grades and be able to tie back into the existing sewer main downstream?

Limited surveying completed by City staff. A permanent bench mark is located near project.

5. Preliminary Concept Drawing: Is the existing pipeline alignment from G53 to G244 on NCDOT R/W, on an easement across private property, or both?

Both.

6. Preliminary Concept Drawing: Has NCDOT as of yet been consulted relative to a proposed alignment through/near the intersection of US 70 and Fontana Blvd.? If so, what comments were provided?

NCDOT has not been consulted in regards to the upcoming project.

7. Will a site visit accompanied by City staff knowledgeable of the system and the proposed project be possible?

A non-mandatory site visit is scheduled on Tuesday October 6, 2020 at 10:30 am. The meeting location will be the overflow parking lot on Hwy 70 East. Across the street from Dunkin Donuts 113 E Main St. Havelock NC 28532.
