Re: Change to the salvage vehicle auction process with City of Canton Impound Lot

Please be advised that a change has been made to the process for the disposal of scrap/salvage vehicles located at the City of Canton Impound Lot.

The City of Canton will be accepting requests for proposals for removal of scrap/salvage vehicles from the City of Canton Impound Lot for a continuous six-month period beginning approximately February 1, 2022 and ending August 1, 2022. The successful scrap dealer will be contacted periodically during the six-month period to pick up the scrap/salvage vehicles from the City of Canton Impound Lot and must pick up the vehicles within seventy-two (72) hours from notification by the City.

Notification will be sent to all prequalified buyers/bidders of the upcoming request for proposals. Instructions on how to take part in the process may be obtained by contacting the City's Purchasing Department.

The successful Scrap Dealer will be required to submit a valid State of Ohio scrap dealer's license, a current W9 tax form, a current certificate of Worker's Compensation insurance and a current certificate of insurance naming the City of Canton as an additional insured as part of the contract process. The information may be submitted with bid documents, emailed to purchasing@cantanohio.gov or mailed to the Purchasing Department office at 218 Cleveland Avenue S.W., Canton, Ohio 44702. To be considered for contract award, the bidder must be current and not otherwise delinquent on the payment of city income taxes.

The necessary titles/affidavits, etc. will be provided to the winning bidder at the time of vehicle pick up.

Sincerely,

Andrea M. Perry
Director of Public Safety
