- 1. To confirm, we are to include each Exhibit (A-K) with a numeric tab and then have supporting firm information after each Exhibit, if applicable? For example, there wouldn't be anything to include after **Tab 1 - Exhibit A**, but after **Tab 2 - Exhibit B**, we would include more information, titled **Evaluation Factor #1**, regarding the profile of the firm **behind Exhibit B**, correct? I just wanted to confirm what "**Name and Attach your response to Evaluation Factor #1 as Exhibit B**" means visually within the RFP.*

Answer: Correct, each exhibit should be numerically tabbed with the applicable response as it pertains to that exhibit.
