**FHSU RFP 24010 Addendum 3 Answers to Questions Submitted****1. *Re: Cost Proposal, pg. 24 and 25***

Questions: Can you clarify the instructions for vendors to provide \$/unit and \$/linear foot pricing per bullet? Are vendors required to provide both the \$\_\_\_\_/unit price and \$\_\_\_\_/linear foot for each bullet or is it sufficient to provide either \$/unit OR \$/linear foot pricing in addition to the totals? What unit of measure is the "\$/unit" for each bullet intended to be? Can vendor's propose our own defined unit of measure (if it's other than LF or SF) that aligns with our typical unit of measures?

**Answer:** Vendor must provide unit of measure listed. See revised Cost Proposal below on pages 3 and 4.

**2. *Re: Scope of Services, pg. 21. Cost Proposal, pg. 24***

Question: Can you provide additional details related to "microforms of 846 square feet housed on the lower level" and "380 square feet of maps on the second floor" including case/cabinet dimensions, case/cabinet count, and drawers per case/cabinet?

**Answer:** Please find the spreadsheets attached in Vendor Registry for Map Cases Measurements and Microfilm Cabinet Measurements.

**3. *Re: Section 2: Proposal Response; 3. Transmittal Letter***

Question: Is there a specific format required for the Transmittal Letter?

**Answer:** Answer the questions/information requested in the order of Transmittal Letter as asked.

**4. *Re: Section 2: Proposal Response; 3. (i)***

Question: Can you please define what is "unacceptable performance"? And is there a cure period?

**Answer:** Unacceptable performance would not be following the specifications/scope of work of the RFP. It would also include being on-site as scheduled: to be on time and work consistently to get the job done and not work intermittently. Dana said sometimes crews from out of town will work 4, 10-hour days, instead of 5 8-hour days.

Then if a crew has unacceptable performance, they are put on notice, so this would be referring to a cure notice. A cure notice is issued by the government to notify the contractor that the government considers the contractor's failure to be an endanger to the contract. The cure notice specifies a period, **usually 10 days**, for the contractor to correct the condition.

**To obtain a Tax Clearance Certificate, you must:**

- Go to <https://www.kdor.ks.gov/apps/taxclearance/Default.aspx> to request a Tax Clearance Certificate
- Return to the website the following working day to see if KDOR will issue the certificate

- If denied a certificate, engage KDOR in a discussion about why a certificate wasn't issued

**Bidders (and their subcontractors) are expected to submit a current Tax Clearance Certificate with every event response.**

*Please Note: You will need to sign back into the KDOR website to view and print the official tax clearance certificate.*

A copy of the Certification of Tax Clearance form received from the Kansas Department of Revenue should be sent along with the bid response(s) to:

Fort Hays State University  
Purchasing Office  
601 Park Street, Sheridan Hall 318

<http://www.ksrevenue.org/forms-btreg.html>

The FHSU Purchasing Office reserves the right to confirm tax status of all potential contractors and subcontractors prior to the release of a purchase order or contract award.

In the event that a current tax certificate is unavailable, the FHSU Purchasing Office reserves the right to notify a bidder (one that has submitted a timely event response) that they have to provide a current Tax Clearance Certificate within ten (10) calendar days, or FHSU may proceed with an award to the next lowest responsive bidder, whichever is determined by the Purchasing Director to be in the best interest of FHSU and the State.

## **CERTIFICATION REGARDING IMMIGRATION REFORM & CONTROL**

All Contractors are expected to comply with the Immigration and Reform Control Act of 1986 (IRCA), as may be amended from time to time. The usual method of verification is through the Employment Verification (I-9) Form. With the submission of this bid, the Contractor hereby certifies without exception that Contractor has complied with all federal and state laws relating to immigration and reform. Any misrepresentation in this regard or any employment of persons not authorized to work in the United States constitutes a material breach and, at the State's option, may subject the contract to termination and any applicable damages.

62. **Data:** Any and all data required to be provided at any time during the bid process or contract term shall be made available in a format as requested and/or approved by FHSU.
63. **Submission of the Bid:** Submission of the bid will be considered presumptive evidence that the vendor is conversant with local facilities and difficulties, the requirements of the documents and of pertinent State and/or local codes, state of labor and material markets, and has made due allowances in the RFP for all contingencies. Later claims for labor, work, materials, equipment, and tax liability required for any difficulties encountered which could have foreseen will not be recognized and all such difficulties shall be properly taken care of by Contractor at no additional cost to FHSU.
64. **Alternate Proposals/Equivalent Items:** Bids on goods and services comparable to those specified herein are invited. Whenever a material, article or piece of equipment is identified in the specifications by reference to a manufacturer's or vendor's name, trade name, catalog number, etc., it is intended to establish a standard, unless otherwise specifically stated. Any material, article or equipment of other manufacturers or vendors shall perform to the standard of the item specified. Equivalent bids must be accompanied by sufficient descriptive literature and/or specifications to provide for detailed comparison. Samples of items, if required, shall be furnished at no expense to the university and if not destroyed in the evaluation process, shall be returned at vendor's expense, if requested.
- FHSU reserves the right to determine and approve or deny "equivalency" in comparison of alternate bids.
65. **Certification of Materials Submitted:** The response to this RFP, together with the specifications set forth herein and all data submitted by the vendor to support the response including brochures, manuals, and descriptions covering the operating characteristics of the item(s) proposed, shall become a part of any contract between the successful vendor and FHSU. Any written representation covering such matters as reliability of the item(s), the experience of other users, or warranties of performance shall be incorporated by reference into the contract.
66. **Inspection:** FHSU reserves the right to reject, on arrival at destination, any items which do not conform with specification of this RFP.
67. **New Materials, Supplies or Equipment:** Unless otherwise specified, all materials, supplies or equipment offered by a vendor shall be new, unused in any regard and of most current design. All materials, supplies and equipment shall be first class in all respects. Seconds or flawed items will not be acceptable. All materials, supplies or equipment shall be suitable for their intended purpose and, unless otherwise specified, fully assembled and ready for use on delivery.
68. **Vendor Contracts:** Include a copy of any contracts, agreements, licenses, warranties, etc. proposed. (State of Kansas form DA-146a remains a mandatory requirement in all contracts.)
69. **Contract Price:** University-wide contracts are awarded by the FHSU Purchasing Office to take advantage of volume discount pricing for goods and services that have a recurring demand from one or more department. However, if a University department locates a vendor that can provide the identical item at a lower price, a waiver to "buy off state contract" may be granted by the FHSU Purchasing Office.

70. **Transition Assistance:** In the event of contract termination or expiration, Contractor shall provide all reasonable and necessary assistance to FHSU to allow for a functional transition to another vendor.
71. **Award:** Award will be by line item or group total, whichever is in the best interest of FHSU.

The parties agree that the following provisions are hereby incorporated into the contract to which it is attached and made a part thereof.

- 1. Controlling Provisions:** It is expressly agreed that the terms of each and every provision in this attachment shall prevail and control over the terms of any other conflicting provision in any other document relating to and a part of the contract in which this attachment is incorporated. Any terms that conflict or could be interpreted to conflict with this attachment are nullified.
- 2. Disclaimer Of Liability:** No provision of this contract will be given effect that attempts to require Fort Hays State University or any of its affiliates ("University") to defend, hold harmless, or indemnify any contractor or third party for any acts or omissions. The terms, conditions, and limitations of liability of the State of Kansas, the University, and their employees are defined under the Kansas Tort Claims Act (K.S.A. 75-6101 et seq.).
- 3. Termination Due To Lack Of Funding Appropriation:** If, in the judgment of the Director of Accounts and Reports, Department of Administration, sufficient funds are not appropriated to continue the function performed in this agreement and for the payment of the charges hereunder, the University may terminate this agreement at the end of its current fiscal year. The University agrees to give written notice of termination to contractor at least 30 days prior to the end of its current fiscal year, and shall give such notice for a greater period prior to the end of such fiscal year as may be provided in this contract, except that such notice shall not be required prior to 90 days before the end of such fiscal year. Contractor shall have the right, at the end of such fiscal year, to take possession of any equipment provided under the contract for which it has not been paid. The University will pay contractor all regular contractual payments incurred through the end of such fiscal year, plus contractual charges incidental to the return of any such equipment. Upon termination of the agreement under this provision, title to any such equipment shall revert to contractor at the end of the University's current fiscal year. The termination of the contract pursuant to this paragraph shall not cause any penalty to be charged to the agency or the contractor.
- 4. Kansas Law and Venue:** All matters arising out of or related to this agreement shall be subject to, governed by, and construed according to the laws of the State of Kansas, and jurisdiction and venue of any suit arising out of or related to this agreement shall reside only in courts located in the State of Kansas.

Contractor specifically agrees: (a) to comply with the Kansas Act Against Discrimination (K.S.A. 44-1001 et seq.) and the Kansas Age Discrimination in Employment Act (K.S.A. 44-1111 et seq.) and the applicable provisions of the Americans With Disabilities Act (42 U.S.C. 12101 et seq.) (ADA) and to not discriminate against any person because of race, religion, color, sex, disability, national origin or ancestry, or age in the admission or access to, or treatment or employment in, its programs or activities; (b) to include in all solicitations or advertisements for employees, the phrase "equal opportunity employer"; (c) to comply with the reporting requirements set out at K.S.A. 44-1031 and K.S.A. 44-1116; (d) to include those provisions in every subcontract or purchase order so that they are binding upon such subcontractor or vendor; (e) that a failure to comply with the reporting requirements of (c) above or if the contractor is found guilty of any violation of such acts by the Kansas Human Rights Commission or if it is determined that the contractor has violated applicable provisions of ADA, such violation(s) shall constitute a breach of contract and the contract may be cancelled, terminated or suspended, in whole or in part, by the University. The provisions of this paragraph (except the provisions relating to the ADA) are not applicable to a contractor who employs fewer than four employees during the term of such contract or whose contracts with the University cumulatively total \$5,000 or less during the fiscal year.

These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take**

**affirmative action to employ and advance individuals in employment without regard to race, color, religion, sex, national origin, protected veteran status or disability.**

6. **Acceptance Of Contract:** This contract shall not be considered accepted, approved or otherwise effective until the statutorily required approvals and certifications have been given.
7. **Arbitration, Damages, Warranties:** Notwithstanding any language to the contrary, no interpretation of this contract shall find that the University has agreed to binding arbitration, or the payment of damages or penalties. Further, the University does not agree to pay attorney fees, costs, or late payment charges beyond those available under the Kansas Prompt Payment Act (K.S.A. 75-6403), and no provision will be given effect that attempts to exclude, modify, disclaim or otherwise attempt to limit any damages or rights of action available to the University at law, including but not limited to the implied warranties of merchantability and fitness for a particular purpose.
8. **Authority To Contract:** By signing this contract, the representative of the contractor thereby represents that such person is duly authorized by the contractor to execute this contract on behalf of the contractor and that the contractor agrees to be bound by the provisions thereof.

11. **Information/Confidentiality:** As a state agency, the University's contracts are generally public records. Accordingly, no provision of this contract shall restrict the University's ability to produce this contract in response to a lawful request or from otherwise complying with the Kansas Open Records Act (K.S.A. 45-215 et seq.). Moreover, no provision of this contract shall be construed as limiting the Legislative Division of Post Audit from having access to information pursuant to K.S.A. 46-1101 et seq.
12. **The Eleventh Amendment:** The Eleventh Amendment is an inherent and incumbent protection of the State of Kansas and need not be reserved, but the University here reiterates that nothing in or related to this contract shall be deemed a waiver of the Eleventh Amendment.
13. **Campaign Contributions / Lobbying:** Funds provided through a grant award or contract shall not be given or received in exchange for the making of a campaign contribution. No part of the funds provided through this contract shall be used to influence or attempt to influence an officer or employee of any State of Kansas agency or a member of the Legislature regarding any pending legislation or the awarding, extension, continuation, renewal, amendment or modification of any government contract, grant, loan, or cooperative agreement.

Contractor agrees to protect the privacy of student data and educational records in a commercially reasonable manner and shall not transmit, share, or disclose any data about a student without the student's written consent, except to other University officials who seek the information within the context of his/her professionally assigned responsibilities and used within the context of official University business. For the purposes of this Section, "company" means an organization, association, corporation, partnership, venture or other entity, its subsidiary or affiliate, that exists for profitmaking purposes or to otherwise secure economic advantage.
