

## **ADDENDUM NO. 2**

DATE: May 24, 2019

TO: All Bidders

FROM: Penny Owens, Assistant Purchasing Agent

SUBJECT: Addendum No. 2 – A New Facility for City of Knoxville Vehicle Impoundment Project

PROJECT NO.: 19L-V-0671

BIDS TO BE OPENED: **May 29, 2019, at 11:00 a.m. Eastern Time**

This addendum becomes a part of the Contract Documents and modifies the original specifications as noted.

### **Changes to the Contract Documents & Specifications:**

#### **Revised Table of Contents**

A revised table of contents is attached to this addendum. Specification 07100 for Waterproofing has been removed.

#### **Revised Specifications**

##### **Section 02200 – Earthwork;**

##### **Subsection 2.7 Classification of Excavated Materials; Paragraph B:**

Revise Paragraph B as follows:

It is understood that full compensation has been included in the Base Bid amount for all common excavation work, including the furnishing and installing of all filling and backfilling materials required as outlined in Subsections 2.10 and 2.16, except (1) the removal of rock (2) excavating and backfilling of areas of unsuitable soil not defined in Subsections 2.10 and 2.16 (3) changes in the work made after award of the contract and (4) work required because of differing site conditions as defined hereinafter.

### **Subsection 2.11 Unsuitable Soil; Paragraph B:**

Revise Paragraph B as follows:

Quantities of unsuitable soil not included in Subsection 2.10 removed shall be determined from measurements made by the Contractor in the presence of the Soils Engineer. Measurements shall be made by cross sectioning and determining depth of cut with a surveyor's level at periodic intervals, or by other methods mutually agreed upon by the Contractor and the Owner. Payment for unsuitable soil, as defined above, shall be made at the agreed unit prices per cubic yard.

### **Section 08700 – Finish Hardware;**

#### **Subsection 8.17 Schedule of Door Hardware:**

Change the Threshold in Hardware Set Numbers 1, 2, 3, and 7 from National Guard 425 to National Guard 8413 with optional Slip Resistant SIA Finish.
