

### Addendum #1

## Concrete Basketball Courts

Due Date and Time: December 20, 2021 – 3:30 PM (See Revised Date Below)

- The Due Date and Time for this bid has been changed to **January 13, 2022** at **3:30 PM**.
- The scope of work has been **revised to include providing and installing the basketball goals and posts (2)**. The goals shall be the following make and model:
  - o Bison PR60 Package which includes the following:
    - BA777 Heavy Duty 4 1/2" O.D. hot dip galvanized steel pipe with 48" safe play area
    - BA47 Ultimate rectangular 42" x 60" playground backboard
    - BA39U Ultimate Playground Goal
- The scope of work has also been **revised to include painting basketball lines on the court**. The court shall be striped with standard basketball striping including the three-point line. The product used shall be designed for use on concrete surfaces and shall be approved by County staff prior to installation.
- Answers to Submitted Questions:
  - o Does the court get a painted playing surface or lines?
    - See above.
  - o Does the court get saw cut expansion joints?
    - Yes.
  - o Does the contractor install the basketball posts?
    - See above.
  - o Will the asphalt/cement be painted/coated with a court surface?
    - No.
  - o Are we interested in decorative concrete?
    - No.
