

Transit Stop Accessibility

Contract Number: T-15-019-201

Chattanooga Department of Transportation

- You have previously received a .kmz file included with your Bid Package.

The .kmz file you received shows all the worksite locations within the City to be included in the contract.

This should give an aerial overview of all the worksite locations in an effort to aid in planning and logistics.

To view the .kmz file you may use one of the following:

1. Google Earth in Chrome, or 2. Google Earth Pro for a desktop computer.

Both of these platforms may be found in the following link:

<https://www.google.com/earth/versions/>

For Instructions on how to import a .kmz using **Google Earth in the Chrome Browser**, use the following link:

<https://support.google.com/earth/answer/7365595?co=GENIE.Platform%3DDesktop&hl=en>

To Import a .kmz or .kml using the **Google Earth Pro Application**, all you have to do is open the application, then drag and drop the file onto application.

- The Sign-In Sheet for the Pre-Bid Meeting on May 14, 2019 is below.
- Are we responsible for the Traffic Control Plans?
 - The Traffic Control Plans will be provided by the city, but they will be implemented and paid for by the contractor.
- Will the Bus Stops be open during construction?
 - The normal routes will continue. However, there will not be anyone walking in the work zone.
- Is CARTA the only transit service at the stops?
 - Yes, they are the only service at these stops.
- Will purchasing release the list of bidders?
 - This can be found on the City's website.
- As a Reminder - When submitting you sealed bid Section 00201 Contractor's Identification form must be completed and placed on the outside of the envelope. See Section 00201 below.
