Arlington County Request for Information No. 22-DPR-RFI-709 for Web-Based, Hosted Technology Solutions that Support Parks and Recreation Activity Registration, Facility Registration and Scheduling, Pass Management, League Scheduling, Point of Sale Transactions, Inventory Sales and Ticket Sales is amended as follows:

1. Reference Section V. Information to be Submitted for this Request for Information is hereby changed as follows:

**Vendor**

- Company website address (URL).

**The following clarifications are made as a result of vendor inquiries:**

1. Are you open to a custom implementation or are you seeking a COTS solution?  
**Answer:** The County is seeking a configurable COTS solution to meet the County's needs. However, we recognize that a COTS solution may also require some custom implementation to meet unique requirements.
2. How important are firm references when compared to technical and cost of the solution to be provided?  
**Answer:** Please reference Addendum No. 1. References are not being requested.
3. Are you open to a cloud-based approach?  
**Answer:** Yes, the County is open to web-based and cloud-based solutions.

The balance of the solicitation remains unchanged.
