Addendum #02

July 17, 2018

IFB 19-B0003

Pool Timing System

The purpose of this Addendum #02 to IFB 19-B0003 for Pool Timing System, dated July 13, 2018, and previously amended July 13, 2018 is to answer the following question:

1. Can you confirm which scoreboard your facility will be using with the Dolphin system? If you plan on using an Otter multiline scoreboard, then a wireless scoreboard is not required.

We currently have a Colorado Timing Systems Otter 6-lane electronic scoreboard that is approximately one (1) year old. Due to its connectivity, line item #3 on the revised price sheet for a wireless scoreboard adapter is hereby deleted from this IFB.

Sealed bids are due no later than July 26, 2018 at 2:00PM

If you have any questions, please don't hesitate to call to the undersigned below.

Thank you,
