Please note the following clarifications and additional information for the Elm Street Playground Equipment RFB with the appropriate sections listed for reference where available.

1. Wood Walkway – Is it segmented or a radius?
 - a. Boardwalk is a radius.
2. Electrical Power – Is there power on site or do we use generators?
 - a. Power may be available from behind the stage, but the capacity is unknown at this time.
3. Construction Fence – Can we use a chain-link fence instead of an orange fence?
 - a. Chain-link is acceptable.
4. Rules Sign – Who is providing and installing the sign?
 - a. City of Woodstock will provide text and logo. Contractor will provide and install upon approval of shop drawing.
