Re: Bids for Oil, Lubricants and Fluids

A request for oil, lubricants and fluid bids was advertised in the St. Louis Post Dispatch and posted on Vendor Registry. Proposals were received from five vendors, Sieveking High Ridge MO, Wallis Lubricants Pacific MO, Heritage Petroleum So Roxana IL, The Kiesel Company St. Louis and Energy Petroleum St. Louis.

I have attached a spreadsheet detailing vendor's products and pricing.

I am recommending the low bid of \$36,118.80 from Heritage Petroleum for the District's oil, lubricants and fluid needs.
