Addendum No. 1

IFB NO. 2020-01 "Computer Replacement"

Attention: Prospective Offerors

Each bidder shall acknowledge receipt of this Addendum Number One (1) by including the acknowledgement form in the Bid Proposal

Addendum Number 1 is issued to provide changes and/or clarifications to questions asked on the above referenced bid. Date, Time and Location of submitting bids remains unchanged.

Question: Do you anticipate extending the bid due date?

Answer: No.

Question: What additional details are you willing to provide, if any, beyond what is stated in bid documents concerning how you will identify the winning bid?

Answer: The minimum specs are stated and the details of what is sent in the quote content will be reviewed. If the minimum specs are met and there is no reason to decline the quote then that company is awarded the PO. We have in the past answered detailed questions if the company requests based on specific products and/or intended use of the product(s). We have also disallowed a quote simply because of the type of mouse that was being bundled, so there is a review of the specs in the quote.

Question: Where was Bid posted?

Answer: City of Alamogordo posts all its bids on Vendorregistry.com

All other provisions of the Contract Documents shall remain unchanged. This addendum is hereby made part of the Contract Documents. Each bidder shall acknowledge receipt of this Addendum Number One (1) using this acknowledgement page and submit with the Bid proposal.
