

**NOTICE OF SOLICITATION: INVITATION TO BID #FY25-CP-E02  
BULLOCH COUNTY TRANSPORTATION IMPROVEMENT PROGRAM**

**Bulloch County Board of Commissioners  
Engineering Department and the Office of Capital Projects**

**DATE:** 07/15/2024

**PROJECT:** FY25-CP-E02, Two Chop Road & Banks Creek Church Road Paving Project

**QUESTIONS/RESPONSES:** Round 1

NO.	QUESTION	RESPONSE	REMARKS
1	The link to the Project Plans is not working.	The link to the Project Plans has been restored and resent via email 07/11/2024 4:29 PM EDT.	Issue closed.
2	Since the bid item for Grading Complete is 1 LS, will it be possible to get a Cadd file or some cross sections that provide information for the grading scope? Cadd file will be preferred as it will allow us to create an earthwork file and get a good estimate on the earthwork quantities.	The Engineer's CADD files have been posted to Bulloch County website. Please use the below link to access the CADD files: <a href="#">Two Chop Road &amp; Banks Creek Church Road CADD Files</a>	Question closed.
3	With the Bid Submission Date being August 1, 2024 there is a bit of an issue. GDOT does not post the August 2024 Asphalt Cement Index until sometime between August 1-5 so we will not know the AC Index for August at the time of submission. Should we use the July 2024 GDOT Asphalt Cement Index (\$606.00) as the starting Index for this project? Or will the bid due date be pushed off long enough to allow GDOT to post the August GDOT Asphalt Cement Index?	This question is under review.	Response pending.
