

MEMORANDUM

TO: All Potential Proposers
FROM: Jessica Carraher, Director of Business Services
SUBJECT: Addendum #2, RFQ 2023-48, Parking Lot Resealing and Stripping
DATE: May 2, 2023

1. Is this bid a "LUMP SUM" project based on the provided quantities in the RFQ "scope of work"?
 - a. 5200 Jim Bilton Blvd. - 155,900 sq/ft w/ 5,000 lf of crack sealing
Yes, a lump sum for each site.
 - b. 201 Johnson St. - 52,074 sq/ft w/ 1,000 lf of crack sealing.
Yes, a lump sum for each site.

2. Addendum #1 states "Coal Tar" sealers to be used. Can "ASPHALT EMULSION" sealers also be used? With the many current bans and other known health and environmental concerns about Coal tar and other high toxic level sealers we only use non-toxic asphalt emulsion sealers.
"Coal Tar" only because of so many different types and longevity of the product.
