Vernon,

Per post-bid discussions and discussions with various suppliers, Dixie Roofing, Inc. proposes to supply all labor and material necessary for the following scope of work for the above referenced project for the sum of **\$ 390,940.00**. As discussed this change may incorporate a change in Roof manufacturer's from Carlisle to Firestone, however the manufacturer could remain Carlisle in the event they are able to get material in a timely fashion to allow an expedited start of the project. Other than a possible material manufacturer change, no other changes to the scope of work will occur.

Should you have any questions regarding this proposal, please contact me at 423-562-0031. We look forward to working with you on this project.

Sincerely,

Brad Sharp
