

**ADDENDUM TWO  
DISASTER RECOVERY MANAGEMENT SERVICES  
CONTRACT NO. E-20-010-201  
CITY OF CHATTANOOGA, TENNESSEE**

The following changes shall be made to the Competitive Bid Documents:

**I. Questions and Answers**

Q1. I would like clarification regarding the added Attachment J.

1. Is the entire attachment to be included with the submittal? If so, would the City consider excluding this attachment from the page count since it is 25 pages long?
2. Additionally, on page 20 of Attachment J – should “Jacobs Engineering Group” be replaced with the submitting vendor’s name? (see below)

**A1.1. The inclusion of Attachment J – FEMA Contract Provision Template in Addendum 1, was to be informative that any contract that comes forth from this Request For Proposal is subject to Attachment J and any requirements that are within it. “No” portion of Attachment J is required with the submission of the proposal.**

**A1.2. Disregard reference to “Jacobs Engineering Group” in the Attachment J.**
