--------------------------	--	------------------------	---	-------------	----------

This addendum answers questions raised about this solicitation. Questions are generally verbatim as received. To aid in readability, the questions are in black, the answers are in **bolded blue** and the answers follow immediately below.

Q1	The GL underwriters have asked if you anticipate that the buildings will be occupied while we do the interior and/or exterior renovations?
	With the planned scope (which includes demoing porches making access difficult), KCDC plans to renovate these units unoccupied, but a final decision will be dictated by the final scope of work which KCDC will work through with the selected contractor.
