SUBJECT: Cancellation of RFP
DERBYSHIRE SIDEWALKS PHASE II - CEI SERVICES (No Local Preference)
RFP 20314

Please be advised that the City has cancelled the subject Request for Proposals which opened on May 22, 2020.

This was a FDOT LAP funded professional services contract. The FDOT declined to authorize the City to proceed with the award process because an insufficient number of proposals were received. Local Agency Program funded contract solicitations must garner at least 2 more responses than the number of contracts to be awarded. One contract would be awarded, however only 2 proposals were received; the FDOT requires a minimum of 3 proposals. Efforts to obtain additional proposals proved unsuccessful. The contract will be re-solicited as a continuing professional CEI services for LAP funded projects.

It is our sincere hope that this action will not discourage you from responding to the new solicitation.
