Deadline for Proposals:

The deadlines for this proposal have been established.

To protect public health and mitigate the risk of the spread of Coronavirus, the City of Parkland City Hall will remain closed to the public but public participation shall be permitted utilizing communications media technology in the manner provided for below and in accordance with the Governor's Executive Order #20-69.

On March 20, 2020, Governor DeSantis issued Executive Order #20-69 suspending any Florida Statute that requires a quorum to be present in person or requires a local government body to meet at a specific public place. The Order further allows for local government bodies to utilize communications media technology, such as telephonic and video conferencing. A physical quorum of the Evaluation Committee will not be required at any one location for such a meeting provided by the rules adopted by the City Manager. The City Commission has adopted Resolution 2020-016, authorizing the City to hold meetings through the use of communications meeting technology. On April 6, 2020, the City Manager adopted rules governing the holding of such meetings: please click [here](#).

In order to ensure compliance with the City's Shelter in Place Emergency Order 2020-02, and the latest CDC recommendations and government orders, the City Manager has determined that these meetings will proceed utilizing communications media technology.
