Q1	Are the units occupied?
	Yes the units will be occupied. Accordingly, in light of the COVID-19 situation, the awarded supplier's employees must wear masks, other protective devices; and satisfy the "health questions" that are in effect at that time work occurs.
Q2	Will notice be required to the residents?
	Yes. Under HUD's regulations, KCDC must provide residents with notice (at least 48 hours in advance) of scheduled entrance (except for emergencies). KCDC usually accomplishes this by giving notice that work will occur during the week of" This method does not tie the vendor to one specific day and thus force re-notification and delays if the schedule changes.
Q3	Does KCDC want to retain the units removed at Eastport to use on the other building until those units are changed out?
	Yes.
