

WILLIAMSON COUNTY GOVERNMENT

Addendum #1

Janitorial Service for ISC, Franklin Recreation and Nolensville Recreation

Bid Date for All Bids is November 5, 2020

Williamson County has received the following question:

1. Can you provide the last bid tab from previous procurement? **See attached.**
2. Is there a specific background check company required by the county? **No, as long as the company does do a background check and can verify that the employees are cleared and vetted.**
3. It reads the contractor is responsible to install paper products and liners but is the contractor responsible for purchase of these items? **We provide all of the necessary product. They just need to keep the building stocked when product is depleted.**
