

Spartanburg School District 2

RFB 1919 Athletic Locker Removal, Relocation and Replenishment – Chesnee High School

ADDENDUM 2

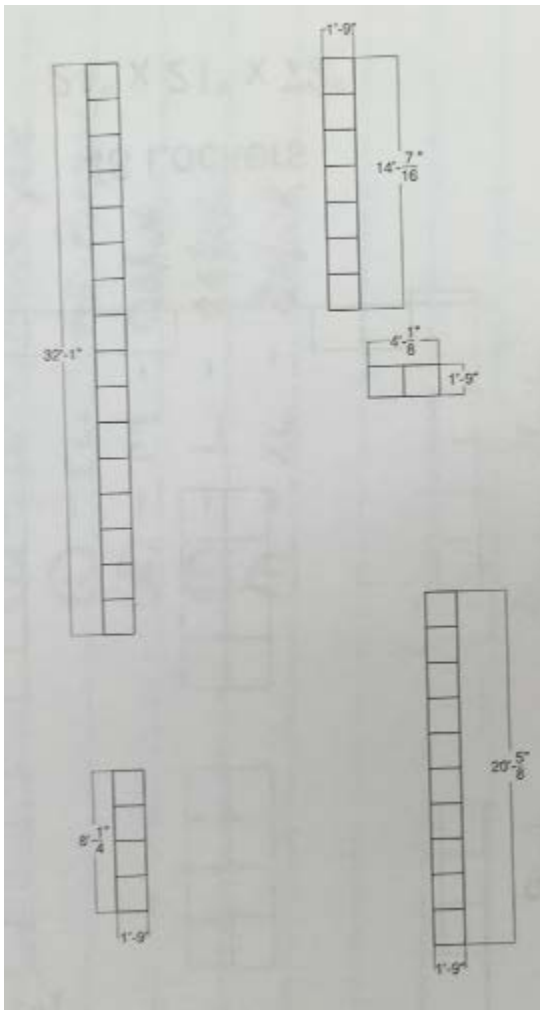

May 15, 2019

This Addendum #2 is being released to make the following changes:

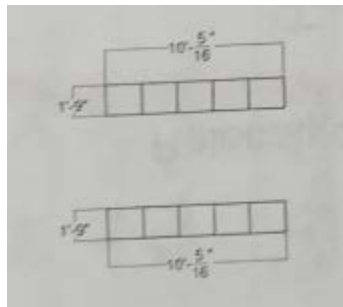

1. The new locker specifies that there will be a “locking foot locker”. This should read “lockable foot locker”. The lock for the foot locker will not be built in, but have a piece that allows for a padlock to be inserted.
2. The old lockers will require some repairs and shall be chronologically renumbered in the new location.
3. The 60 new lockers will be installed in two student locker rooms and a coach’s locker room, for a total of three rooms. In the coach’s locker room, the lockers will need to be placed on a platform, as there are drains in the floor beneath. The bidder will need to build this platform out of treated wood.

Drawings of the rooms are as follows:

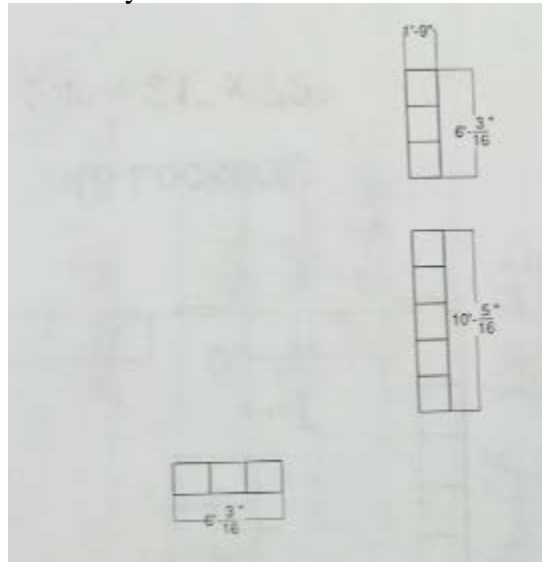

Main Locker Room:

Coach’s Locker Room:

Auxillary Locker Room:

4. The old lockers will be relocated to one room, see below for the setup:
