

RFB2102 Boiling Springs High School Freshman Academy Paving Project

ADDENDUM 3 October 16, 2020

This addendum #3 is being issued to revise Area 6 (Baseball Field Parking).

- 1) The area has been revised to the attached drawing.
- 2) The entire area that has ground up asphalt will now be paved.
- 3) Curbing will be replaced where it currently exists (as noted by “Base Curb” on drawing). On the two areas that are labeled “Alternate Curbing”, the base bid for Area 6 should include curb stops. The specification for the paved area of Area 6 will remain the same: Grade and setup areas for paving 2” surface for maximum usage – approximately 65-80 spaces. Stripe all parking.
- 4) Area 6A - Baseball Parking Curb (Alternate) – The two sides to receive curbing are noted as “Alternate Curbing” on the drawing. This price should only include the difference between curb stops and curbing, as the price of curb stops are to be included in the base bid.
