|----|--|
| Q1 | Historically, KCDC owned/provided the containers- is that still the case? Traditionally that is correct however, for the past two years whenever the need for a replacement dumpster arose, KCDC has replaced owned dumpsters with leased dumpsters. |
| Q2 | So based on your current container inventory, how many 8 CY & 4 CY containers would we be required to provide at start up? Please see the chart below for an estimate. |
| Q3 | So ball park how many have you replaced in 2016. Please see the chart below for an estimate. |
| Q4 | To confirm, we aren't expected to run dedicated KCDC routes- we can service them as they fall within our service footprint. Vendors are not required to make a dedicated KCDC route but do need to work KCDC's stated frequencies into existing routes. Vendors may create dedicated KCDC routes if they wish. |
