

# **FY 17-18 Standard Dell, HP, or Lenovo Desktop and Laptop RFP Q&A 6-14-17**

Good Afternoon,

We received the following question:

- I received the bid package but was curious if you were open to seeing pricing on refurbished in place of new on this RFP. Please let me know if we have an opportunity to respond using refurbished PCs and laptops.

**We will not be accepting bids for refurbished or “like new” laptops and desktops.**

Thank you.
