Re: CAD File Request

To: Blackwood Associates Inc.

Please release to us the CAD data file containing the base site and grading plans for the Carver Middle School Site Upgrades in Spartanburg, South Carolina. The files are the basis of the site engineering drawings dated November 3, 2019. We understand that the official, legal plans are the paper plans with an original seal and signature.

Release Agreement: We understand that we may be receiving electronic media containing intermediate survey and design information, not necessarily intended for construction. We agree to hold Blackwood Associates Inc. and the Owner for this project harmless for any defects in this data. We agree that it shall be our responsibility to reconcile this electronic data with the paper plans, and that only the paper plans with an original seal and signature shall be regarded as legal documents for this job.

Thank you for your prompt attention to this matter.
