

## **RFP #4821, Medical Supplies for EMS**

### **Questions and Answers**

**June 22, 2018**

Anderson County received the following questions:

- If you could kindly provide the bid tabulations and previous year's usage for the previous award of the Medical Supplies for EMS Bid.
- Also, if possible, please provide the item number and manufacturer of the previously awarded glove contract.
- Lastly, if possible, would you please provide specs on the "OSHA approved" gowns on the EMS Medical Bid?

Previously, the supplies were separated into 5 bids. The tabulation sheets and list of subsequent contracts is now uploaded onto vendor registry.

The spend for last fiscal year was approximately \$225,000.00.

The gowns need to be OSHA approved and certified for medical use for exposure control.
