FOR THE CITY OF CHATTANOOGA, TENNESSEE
Contract Number S-18-012-201

Contract Specifications:

Q? On the Appling Street Drainage Improvements, there is a bid item set up for Remove and Replace Fencing for a quantity of 150 LF. Can the City clarify where this fence is intended to be removed and replaced is located on the job?

A. The Bid Item, "Remove and Replace Fencing" is a conditional item if the need arises to take down and replace the existing, metal, decorative fencing at Blood Assurance.

There is no specific location on the plans to remove any of it as a part of the design, and the quantity 150' is an estimate and not an actual measured quantity.
