SC-170 SIDEWALK EXTENSION

Questions and Answers

1. Is the City carrying the costs for construction QA/QC testing?
No, these costs should be included in the bid.
2. Is the City carrying the costs for weekly SWPPP inspections?
Yes, the City contracted engineer for this project, Infrastructure Consulting & Engineering (ICE) will perform the inspections.
3. Will a Building Permit be required for this project?
A building permit is required at no cost to the contractor. Business licenses are required with the costs incurred by the contractors.
4. Is there a DBE goal for the project?
The bid documents were written to have a 10% DBE goal (See below, p4 and p77)
5. Do Davis Bacon Wages apply to this project?
There is no Federal Davis Bacon requirement for this project.
6. Will a sidewalk closure permit be required for this project?
The SC DOT Encroachment permit has been added as Attachment A.
7. Please confirm the intent of item 7198392 – JUNCTION BOX – CONVERT CB T-16. The plans show two existing drop inlet being converted to manholes, which is covered by item 7198320. We do not see item 7198392 on the plans.
Item 7198392 should be removed from the bid items.
8. Should the quantities on items 6651091 and 6888110 be 4 Each since an existing light pole is only being relocated? Or should the work to remove and relocate this existing pole be carried in these items?
4 each.
