Relocation of Electrical Generator From the Cirelli Building to the Civic  
Center  
The City of Canton

1. The existing ATS will not be reused as part of this project.
2. Included in this addendum:
  - a. One cut sheet for a new Kohler Automatic Transfer Switch (ATS) cut sheet
  - b. One quote from Buckeye Power Sales (BPS) for the ATS and rewire and recommission of the existing 150kW generator to 480V.
3. Please note that as part of this relocation and installation the generator will be modified from 208v to 480v as indicated in the BPS quote.
4. The generator foundation sizing guidelines dictate a 12 inch thick pad to set the generator on properly.
