

## ADDENDUM NO. 2

DATE: May 26, 2022

TO: All Potential Bidders

FROM: Karisa Scott, Procurement Specialist, City of Knoxville

SUBJECT: Addendum No. 2 – Protective Footwear for Public  
Service

BIDS TO BE OPENED: June 6, 2022, at 11:00:00 a.m. (Eastern Time)

This addendum is being published to answer questions from potential bidders and becomes a part of the Contract Document and modifies the original specifications as noted.

**Question #1: On the Scope of Service in paragraph V, it states that the protective footwear provided is to be steel toe. Is there a reason for the safety toe to be restricted to the steel only selection?**

Response: No, Proposals may offer pricing on safety toe materials other than steel toe as long as the proposed footwear meets or exceeds OSHA standards.

With this clarification, the Evaluation Criteria regarding pricing in the event of Proposer offering a pricing schedule will be updated as follows:

"If Proposer is offering a pricing schedule, the evaluation will be based upon the percentage off the most commonly requested footwear types (6- and 8-inch safety toe boots, athletic style safety toe shoe)."
