

ADDENDUM NO: 1

REQ NO: 180645

FINAL SUBMITTAL: January 31, 2019 2:00 PM EST

FINAL QUESTIONS: January 22, 2019 2:00 PM EST

Department: Parks Division, Public Works

Question and Answer to Bid No. 305349:

Question: Our company produces all steel (with plastisol coated seats) bleachers for ballfields and outdoor event spaces. Our units are significantly heavier and more secure than aluminum bleachers and less prone to weather damage, vandalism, and theft than aluminum bleachers. Additionally, as we coat the seats for the bleachers we can match City or specific colors to help create identity with the park for users.

Answer: We will accept bids for steel, although the price may not be as competitive (Department could be wrong). We will accept bids on for 5 rows with safety railings around them. The color issue will be decided by Parks Division and/or the Youth Athletic Association.
