ADDENDUM NO. 7

DATE: November 20, 2019

PROJECT: ITB 20133
BETHUNE POINT SHORELINE STABILIZATION

OPENING DATE: December 2, 2019

This addendum is hereby incorporated into the Bid Documents for the project referenced above. The following items are clarifications, corrections, additions, deletions and/or revisions to and shall take precedence over the original documents. Additions are indicated by underlining, deletions are indicated by ~~strikethrough~~.

1. I just spoke with the vendor, they confirmed that the material will be shipped via flatbed truck on pallets. I just want to confirm that the City is not expecting to take ownership of any type of shipping container, and that this bid item is simply to capture the shipping costs of the Tri-Lock materials.

Answer: The line item was just to capture shipping cost, the City will not be taking ownership of the containers.

2. All other items shall remain the same.

The Bidder shall acknowledge receipt of this addendum on the Bid Proposal Form.
