***ADDENDUM ONE***

Solicitation: 2018-037  
Addendum Release Date: April 2, 2018

This addendum is in reference to project RFB#2018-037 and more specifically known as: 2018 Resurfacing Project, Project No. 65708, Cherokee County

Clarification: Roadways that will be constructed as a full mill and inlay are to be paved in the same day. Roadways that will be profile milled do not have to be paved in the same day. List of roads where this applies is attached and titled "2018 Resurfacing Details".

Question 1: APPENDIX G: CONTRACTORS LICENSE CERTIFICATION - shows as a Required Document on page 3. However, we are exempt by the Ga Secretary of State as a Traditional Specialty Contractor (Asphalt Paving): Under O.C.G.A. § 43-41-17, specialty contractors who offer or contract to perform or undertake or perform for an owner limited, specialty, or specific trade contractor work do not have to hold a license as a residential or general contractor if they are performing work within their specialty.

Answer: Should a vendor be exempt by the Georgia Secretary of State, please provide evidence of such exemption and any Georgia Code that may apply.

Question: Where can I download the form for completion: AIA Document A305, Contractor's Qualification Statement, current Edition - referenced in APPENDIX J Requirements?

Answer: Appendix J is not required. See page 3 for a listing of required documents.

The release of this addendum will extend the schedule as follows:

<b>Issued</b>	March 8, 2018
<b>Questions Due</b>	March 21, 2018 by 4:00 PM
