To: Dr. Curtis Cain and The Board of Education

From: Dewayne Kitson, Maintenance Director

Date: April 4, 2018

Subject: Concrete – Sidewalks and Pad for Liberty High School

The Maintenance Department has recently completed the bid process for the installation of sidewalks and a bleacher pad for Liberty High School. The bleacher pad will allow for the installation for a new grandstand and the sidewalks will allow guests to have access to the new bleachers.

The bid specifications was advertised in the newspaper, posted on the District's Web page through Vendor Registry, and emailed to five (5) vendors who met the specification criteria. As a result, we received five (5) proposals for the concrete sidewalks and bleacher pad at Liberty High School. The bid results are as follows:

1. R. V. Wagner, Inc.	79,824.00
2. Sweetens Concrete Services	87,600.00
3. E. Meier Contracting	93,470.00
4. Amcon Municipal Concrete, LLC.	94,000.00
5. Mates Concrete, Inc.	125,461.52

I would like to recommend that the Board of Education approve R.V. Wagner, Inc. to complete the concrete sidewalks and bleacher pad for Liberty High School in the amount of \$79,824.00. R. V. Wagner, Inc. has provided all the required information and documentation in accordance with the district policies and procedures. The Maintenance Department currently has funds available in the budget for this project.
