**ADDENDUM 003**

**January 23, 2020**

**20-B0032**

**Gravity Sewer Slip Lining**

The following questions have been asked and answered:

1. Will the owner pay for and supply water access from local fire hydrants?  
A. Yes
2. Will the owner provide and pay for a dump site for sewer debris after cleaning the sewers?  
A. The dump site the City can offer will be free of charge for NON-Sewer items. Grand Strand Water & Sewer operates the dump site at the wastewater plant.
3. IPR uses Invert – A Pipe for all lining.  
A. Product is not approved.
4. Does the owner have CCTV footage that they can provide from the recent inspection?  
A. Yes
5. Will the Owner/Engineer please provide the budget for this project?  
A. No
6. Will the Owner/Engineer please provide any previous itemized bid tabulations for projects of similar scope?  
A. No
7. Will the Owner/Engineer please provide a copy of the current plan holders list?  
Yes (attached)
8. Will the Owner/Engineer please provide the anticipated NTP date for this project?  
A. Immediately
9. Will the Owner/Engineer please confirm if there are any prevailing wage requirements for this job?  
A. None required
10. There is an issue with the quantities provided with Addendum #1 and Addendum #2.  
A. New bid schedule attached

Thank you,

  
Ruth Burleson Garigen/Buyer
