**Addendum 002
September 21, 2023
Request for Quote #091523L
Ticket Booth**

The purpose of this Addendum 002 to Request for Quote #091523L for Ticket Booth, dated September 15, 2023, and previously amended on September 18, 2023, is to provide clarification/answers to questions received.

1. Does the ticket booth require assembly and installation?

The ticket booth needs to arrive at the location completely assembled.

2. The wind load requirement for the location of the booth is 148mph. Does the booth requested need to meet the 148mph wind load requirement and, if so, can the building be changed to a welded steel booth?

Yes, the booth will need to meet the wind load requirement of 148mph. The building framing/type may be changed to a welded steel booth to meet the requirement.

The price schedule for Quote #091523L was revised and attached to Addendum 001. Quotes must be provided on the revised form.
