

ADDENDUM NO. 1

DATE: April 14, 2021
TO: All Potential Bidders
FROM: Karisa Scott, Procurement Specialist, City of Knoxville
SUBJECT: Addendum No. 1 – Elevator Maintenance at KPD

Safety Building

BIDS TO BE OPENED: April 16, 2021, at 11:00:00 a.m. (Eastern Time)

This addendum is being published to answer questions from potential bidders and becomes a part of the Contract Document and modifies the original specifications as noted.

Question #1: Due to the proprietary nature of the NEC controllers on 2 of the elevators will you accept a modification proposal to install new, non-proprietary controllers? This would also come with a year of free service on each modernized elevator as well.

Response: Due to the fact that we will be vacating this property in a year and a half to two years we do not believe it would not be cost effective for us to upgrade the two elevators with new controllers.
