OPENING DATE: Wednesday, July 17, 2024

OPENING TIME: 3:00 PM ET

[CLOSED]

PROCUREMENT FOR: Apron Reconstruction (Schedule I and Schedule II) at Georgetown County Airport (GGE)

This addendum will amend **Bid #24-051, Apron Reconstruction (Schedule I and Schedule II) at Georgetown County Airport (GGE)** originally issued on Wednesday, June 26, 2024. This clarification is being provided to all known and registered correspondents in response to questions received. All addenda and original bid documents are also available online at: www.gtcounty.org, select “Bid Opportunities” from the Quick Links section.

Question 1: I understand the Verbiage in the Bid Documents on either Schedule I or Schedule I & II will be awarded to the agreed upon bidder by the County. My question is do I need to separate Bid Bonds in my bid package (one for each schedule)? Or do I just get one bid bond that would cover the cost for both if awarded?

Response: Please obtain one bid bond to cover the cost of both Schedules. Bid Security language shall be changed to read as follows:

“Each bid must be accompanied by a **Bid Bond**, for an amount equal to five percent (5%) of the total bid as a guarantee that if the bid is accepted, the required Contract will be executed within fifteen (15) days after receipt of written notice of formal award of Contract. Bids not including such a bid bond will not be considered.”

Please also use revised Mandatory Bid Submittal Form attached for your submittal.

Question 2: Do any construction vehicles and equipment have to be equipped with lights and/or flags?

Response: **Yes. Construction is being completed adjacent to active aircraft movement areas. Construction equipment shall be flagged or lighted.**

Question 3: Does the construction gate have to be manned at all times when we are onsite working?

Response: **The Construction access gate is adjacent to the construction area. If left open, it should under observation (not manned) to prevent unauthorized access.**

Question 4: It states that the intent is to award either Schedule I or both Schedule I & II to the same contractor. If so there are multiple items listed on both bid list that may not be necessary especially the downstream erosion control items (Structure, Skimmer, Basins, Etc.). Should these be deleted or removed from Schedule II bid list? If not is it expected to have to install all these items twice? Please explain

Response: **The schedules are set up as separate project areas. There are several common items that may or may not be required for each schedule. At this time, bid both schedules of work as setup in the proposal. At the time the work is awarded, any duplicate items contained in Schedule II that is not required would be deleted by Change Order.**

Question 5: Can you provide a detail or description of the sign expected to close the Automobile Parking area?

Response: **The sign could be very simple. "Automobile Parking Area Closed. Construction Traffic Only."**

Question 6: If more undercut of existing subgrade is deemed necessary by the onsite Inspector will this be paid for by the agreed upon unit rate already established?

Response: **If "Undercut Excavation" is required, it would be paid for under the item established in the contract.**
