- TABLE, COLLABORATIVE
- TABLE, NESTING
- MEDIA/LEARNING COMMONS
- OTHER ITEMS AS DESIRED FOR CONSIDERATION

Parameters describing the type of furniture needed:

- Student-centered to encourage student participation
- Collaborative, mobile, and modular
- Durable commercial quality
- **Classroom budget \$3000 / room**
- Desks with solid (possibly whiteboard) tops and glides
- Separate desks and chairs
- Appropriate size for small classroom space
- Purchase from school furniture manufacturers
- Consider the total cost of ownership = warranty, ease of cleaning, etc.
- Select "New Generation" furniture which will meet the needs far into the future
- Keep in mind wiring and technology requirements which impact furniture choice

We would like you to bring the samples that best meet the specifications and parameters listed above. Sample classroom does not have to contain quantities typical of a standard classroom. Provide enough desk, chairs, and misc. pieces to demonstrate all factors offered by the furniture products.
