

“City of Havelock
2022 Sewer Line Point Repair – Webb Blvd”

Addendum 1
June 7, 2022

Changes to Bid Document

1. Increase paving from 10ft to 24ft wide and add for areas around two end manholes.
2. There is a third manhole HS 88 in between HS 84 and HS 59. HS 88 is approximately 145 ft from HS 84 and all manholes are assumed to be intact and at proper level.
