SUBJECT: Addendum #2 to Request for Qualifications # 38433, Projects General Engineering Services

As a result of inquiries, the following clarifications/changes are provided for your information. Please make all appropriate changes to your bid documents. Note: changes are reflected with original language shown with strike-through and new language is underlined.

- Q1: What Firms currently hold this contract?
A1: The 2018 Engineering and Environmental Services RFQ included “Discipline D: Detailed engineering design, construction monitoring, and other related services for water resources projects.” The firms that currently hold contracts for “Discipline D” are Black & Veatch Corporation, CDM Smith Inc., Four Waters Engineering Inc., Jones Edmunds & Associates Inc., Kimley-Horn and Associates Inc., and Reiss Engineering Inc.
- Q2: After reviewing the addendum for the GES RFQ 38433, some of the services have been removed (looks like disciplines A, B & C). Will there be another RFQ released with these services in it? Or will this be the only GES RFQ to come out?
A2: Another, separate RFQ will be advertised in the near future, which will include services similar to disciplines ‘A’, ‘B’, and ‘C’ of the 2018 Engineering and Environmental Services RFQ.

NOTE: The Proposal Opening **remains** 2:00 p.m., **Friday, March 17, 2023**

Please acknowledge receipt of this Addendum on the **SUBMITTAL FORM** provided in the proposal package.
