QUESTIONS

1. What will be the allowed work hours on this project?
 - a. Anytime during daylight hours.
2. Will the Stop Bars be thermoplastic or paint?
 - a. Thermoplastic.
3. Will the contractor be required to install post mounted Advanced Warning Signs or can tripod signs be used?
 - a. Tripod signs are allowed.
4. What type asphalt mix will be used for the Leveling?
 - a. 9.5mm
5. Will an MTV (Shuttle Buggy) be required on placing the 12.5mm on this project?
 - a. No.
6. Will the contractor be required to pave into driveways or can the spreader gate be run out at each driveway?
 - a. Spreader gate will be allowed to run out. There may be areas that additional mix will have to be used.
7. Will the contractor be required to pave to the back of the radius on side roads or can the spreader gate be run out at each side road?
 - a. Most side roads will be required to be paved back to the radius. There may be some that will not require that.

8. Can the roads that are 14'-16' wide be paved in (1) pull instead of two?
 - a. Yes.
9. It looks like the County will perform any needed shoulder building and grassing – correct?
 - a. Correct.
10. Will the contractor be required to perform any milling on this project?
 - a. No.
11. Will the contractor be required to perform any patching on this project?
 - a. No.
12. It looks like the contractor will be required to install the Low/Soft Shoulder Signs and the County will retain after the project has been accepted – correct?
 - a. Correct.
13. Lee Chester Rd. and Deer Run have areas of the roadway that tree roots have pushed up the asphalt. Will these areas be corrected with leveling?
 - a. Yes.
14. Will Trackless tack be required on this project?
 - a. Not required but recommended.

Bidder's Certification with signature page included

BIDDER'S CERTIFICATION

ITB #2019-009 2020 LMIG Asphalt Leveling and Resurfacing Various County Roads

Date of Bid _____

I certify that this Bid is submitted without prior understanding, agreement or connection with any corporation, firm or person submitting a Bid for the same goods/services and is in all respects fair and without collusion or fraud. I understand that collusive bidding is a violation of State and Federal law and can result in fines, prison sentences and civil damages awards. I agree to abide by all terms and conditions stated of this bid document and certify that I am authorized to sign this bid for the bidder.

I acknowledge that this Project will be constructed in English units.

I certify that I have carefully examined the Plans for this Project and the Standard Specifications, 2013 Edition, the Supplemental Specifications, Manual on Uniform Traffic Control Devices, and Special Provisions included in and made a part of this Bid, and have also personally examined the site of the work. On the basis of the said Scope of Work and Specifications, I propose to furnish all necessary machinery, tools, apparatus and other means of construction, and do all the work and furnish all the materials in the manner specified.

I understand the quantities mentioned are approximate only and are subject to either increase or decrease and hereby propose to perform any increased or decreased quantities of work or extra work on the basis provided for in the Specifications.

I also hereby agree that Lumpkin County would suffer damages in a sum equal to at least the amount of the enclosed Bid Guaranty, in the event my Bid should be accepted and a Contract tendered me there under and I should refuse to execute same and furnish bond as herein required, in consideration of which I hereby agree that, in the event of such failure on my part to execute said Contract and furnish bond within fifteen (15) days after the date of the letter transmitting the Contract to me, the amount of said Bid Guaranty shall be and is hereby, forfeited to Lumpkin County, as liquidated damages as the result of such failure on my part.

I further agree to execute a Contract prepared by Lumpkin County as soon as the work is awarded to me, and to begin and complete the work within the time limit provided. I also propose to furnish the Bonds as required by the Bid Documents and laws of the State of Georgia. Such bond(s) shall not only serve to guarantee the completion of the work on my part, but also to guarantee the excellence of both workmanship and materials until the work is finally accepted, as well as to fully comply with all the laws of the State of Georgia and Lumpkin County.
