Cherokee County Request for Proposal
ADDENDUM ONE

Solicitation: 2017-106 – Traffic Signal Maintenance

Release Date: March 29, 2017

CLARIFICATIONS:

The following question has been received to date and its answer is provided in red:

1. Will the county be using any other technical merits other than distance from primary office to intersection locations? If yes will the county please specify?

Distance **MAY** be included in the technical merits evaluation. Technical merits are based on how well the County believes, by reviewing the materials provided in the proposal, the proposer can do the work being requested. References will also be reviewed as a part of the technical merits evaluation.
