

ADDENDUM NO. 1

DATE: August 11, 2020

TO: All Bidders

FROM: Penny Owens, Purchasing Agent

SUBJECT: Addendum No. 1 – Installation of Digital Patrol Video System

BIDS TO BE OPENED: **August 14, 2020, at 11:00:00 a.m. Eastern Time**

This addendum is published to respond to questions from potential bidders and provide Zoom meeting information for the bid opening. This addendum becomes a part of the Contract Documents and modifies the original specifications as noted.

Question #1: Could you clarify the bid opening date? The bid date shows as August 14th but refers to August 5th in the electronic submission information.

Response: The correct bid date is August 14, 2020, at 11:00:00 a.m. Eastern Time

Question #2: How many camera triggers will be used to activate the Axon camera system? Can you please provide a list of all triggers?

Response: Yes. The following triggers are included:

- A. Door triggers – four triggers per car
- B. Speed
- C. Lights/Siren
- D. Crash/Impact
- E. Side arm

Question # 3: When removing the L3 Camera System will the installer be required to remove all the cables with the system or will the cables for the old system be allowed to remain in the vehicles?

Response: Yes, the cables from the old system can be left in the vehicle, hidden inside the console.

Question #4: Will the installer be allowed to work with the agency's point of contact to determine most expeditious mounting locations for all equipment, or are there detailed mounting

instructions that can be provided to figure time and materials at present? Or is there an agency representative we can speak to for clarification of several mounting location questions?

Response: Mounting location can be discussed and mutually agreed upon with Tech Services and Fleet.

Question #5: Are there charges for the training provided by AXON and will that training be provided at the winning bidders location or at the City of Knoxville. Do all techs have to attend training of just lead techs that will be supervising the install team?

Response: No, there is no charge for the training. Yes, all techs have to attend the install training.

BID OPENING ZOOM INFORMATION: Bidders may attend the bid opening virtually via Zoom as follows:
