

ADDENDUM NO. 1 TO RFP#2020-3284-4202-18
(Includes Sign-In Sheet from Pre-Bid Site Visit)

- When is the start date? **Answer: July 1, 2020**
- The County says they are considering changing some of the 8 yds and OT containers to compactors. When would this occur? **Answer: A decision to change containers to compactors will be made prior to the start of the contract and implemented after the July 1, 2020 start date.**
- It appears the 8 yds are being serviced 3 times a week, but the pricing sheet has 8 yds once a week. Which is it? **Answer: The price sheet should read 8 CYD FEL container serviced 3x per week. Please see revised sheet on next page.**
- Does the County pay the disposal and processing costs directly to the disposal facility and MRF? **Answer: The County pays the disposal and processing cost directly to the County designated disposal facility and MRF.**
- May we bid on some of the 3 services, but not all and still be considered responsive? **Answer: Yes, failure to submit a bid on all 3 services will not result in rejection of the proposal. Proposals will be evaluated and awarded based on its merits including responses to all 3 services.**
- Will the County consider extending the submittal deadline one week? **Answer: Yes. The new deadline will be Tuesday, November 19, 2019, at 2:00 p.m.**
